

Tucson Village Farm

**Let our farm
be your classroom!**

Who We Are

Started in 2010, TVF is a partnership between Pima County Cooperative Extension, 4-H, and the Arizona Nutrition Network.

We offer various programs and curriculum for all ages. Bring your class for a hands-on, educational experience on the farm. We have engaging, state standardized curriculum to meet your academic needs.

Growing Forward

This two hour program is designed to teach students in grades K-5 about nutrition, health and the seed to table connection in a fun and experiential way.

Students will rotate through different stations on the farm where they will learn about how food grows and how to eat healthy for a lifetime. Students will get to milk Gertie the mechanical cow, touch real earthworms, harvest crops, plant seeds, eat a healthy whole grain snack, and much more.
